SAVE THE DATE! Senior Housing Shake Up:
State of Michigan Expands its Authority Over Unlicensed Communities

Are You Ready for February 11, 2018?

Will *your* community need to apply for a state license?

Don't miss this important seminar that explains the recent comprehensive changes to the Michigan Public Health Code. This new law authorizes state regulators to require existing unlicensed independent senior housing communities to apply for a Home for the Aged License. It also creates a very stringent and complex exemption process allowing certain qualified communities to continue to operate without a license if they file certain information with the State of Michigan Department of Licensing and Regulatory Affairs (LARA.)

Will you be ready to respond to state regulators when they come knocking on your door? Are your housing and onsite services structured in such a way that they are eligible for an exemption from LARA? Will you be subject to legal challenges or other consequences if you do not take proper action?

The law goes into effect on February 11, 2018.

Attorneys with Michigan Assisted Living Association and Bator Legal P.C. will present a comprehensive strategic review of the new law and discuss your rights under this most comprehensive change ever to the regulatory environment in Michigan.
